

CALIFORNIA LAND SURVEYORS' ASSOCIATION SAN FRANCISCO CHAPTER

Nov. 2025

Colleagues,

CCSF Fee Increase

Recent fee increases for mapping submittals to CCSF prompted disapproval from members of the professional survey community. We all agree that a fee increase has serious impacts on the professional survey community. Our concerns can be addressed only when we, as a chapter of professionals, unite in an agreed action: *This illustrates why a cohesive SF-CLSA is important.*

SF-CLSA Meetings

There are only NINE scheduled SF-CLSA meetings for the calendar year. We keep the meetings short on purpose: we respect your time and busy lives. **Please! Attend the meetings.** E mail or call to discuss your concerns in advance so that we may coordinate meeting topics and efficiently determine meeting agenda. **YOU, yes you,** are the SF-CLSA. Without YOU, there is no SF-CLSA. Without YOU, the survey community has no voice!

Monument Preservation

Addressing the monument preservation policy has begun under the direction of PPC Chair, Lou Clem. Chapter members will be notified and requested to participate in crafting suggestions for policy. We look forward to participation by all SF-CLSA members.

SF-CLSA NOVEMBER MEETING

The Next SF-CLSA meeting will be held via Zoom. Third Tuesday of Nov. is 11/18, 6pm.

The discussion will be open to members to express concerns and chapter direction for 2026.

THIS IS AN IMPORTANT MEETING, and the last meeting for 2025. Meeting Information will be forthcoming.
